Biography

François LEGENER was born in Fohren in 1848; his father Mathias LEGENER (1811-1883) was a local *Hufschmied*. His mother Katharina WAGNER (1818-1884) was born in nearby Nachtmanderscheid.

LEGENER became a *Schmied* and married Marguerite SCHROEDER in 1886. The couple had five children. Marguerite died in 1894, soon after the birth of their last child.

In 1895 François LEGENER married Anna Margaretha SCHMITZ with whom he had two more children.

His son Joseph François LEGENER (1892-1970), from the first marriage, carried on the family business in Vianden into the 1960s.

It is not known when François LEGENER (senior) died but it can be established that he was still alive in 1923.
