## Biography

Norbert REUTER was born in 1838 in Luxembourg-city (536 rue de la Trinité). His father's occupation at the time was recorded as *propriétaire* but he later took on the function of *notaire*.

Norbert qualified as *ingénieur civil*, probably in Liège. In 1867, when he married Catharina NEUBERG, he resided in Huy (Liège). By then both his parents had died.

The couple settled in Luxembourg-city. The first child was born in 1869 (Gross-Gasse), the second was born in 1872 (6 Fischmarkt) and the third child was born in January 1877, in Hollerich.

In 1872 REUTER founded the company "Reuter & Cie" for manufacturing explosives. The factory was located in Kockelscheuer and later took on the name of "Poudrierie de Luxembourg".

REUTER died in Hollerich in August 1877, at the age of 39.
