## Biography

Very little is known about Gaspard BALTHASAR.

He was probably a French immigrant and resided in Hollerich.

When BALTHASAR filed his patent application in Luxembourg in 1886 his occupation was *Chef de fabrication à Hollerich (Betriebs-direktor in Hollerich bei Luxemburg)*.

He was probably working for the company: *Société Anonyme des Forges et Laminoirs de Luxembourg (Hollericher Walzwerk)*, founded in 1873. <sup>1 2</sup>

The company went bankrupt in 1885 and BALTHASAR probably left Luxembourg.
