

DE DONATO Emile

(1881 -) ¹

Obersteinbach/Alsace (FR)

Biography

Philippe Emile DE DONATO was born in Obersteinbach (Alsace) in 1881.

He was an engineer who came to work for the HADIR steelworks in Differdange.

He resided in Differdange (46 rue des Jardins) at least up to 1935.

When DE DONATO applied for his last patent in 1939 he resided in the Département Vienne (France).

It is not known when and where he died.
