

CHANDELON Henri

(1847 - 1914) ¹

Liège (BE)

Biography

Henri Joseph Marie Jules CHANDELON, born in Liège in 1847, qualified as engineer in Liège in 1871. His father was professor at the University of Liège.

Henri took on his first job as engineer in the steel works of Grivegnée (Liège). His three daughters were born in Grivegnée in the years 1874 to 1879.

In 1885 CHANDELON was appointed *Directeur des hauts-fourneaux de Rumelange*. ² He resided in Rumelange (Bahnhofstrasse).

Around 1912 he left Luxembourg for Liège where he died in 1914. ³
