

CAMUS Guillaume Polidor

(1828 -) ¹

Montastruc (FR)

Biography

CAMUS was born in France (Lot et Garonne) in 1828, and in 1864 he married Maria Karlotta BUFFET in Ettelbruck. The latter was born in Ettelbruck; her father was a *Gerber*, originally from France and her mother Caroline FABER was born in Ettelbruck.

In 1865, when CAMUS applied for a patent, his professional occupation was *entrepreneur de travaux publics* in Ettelbruck. In the same year he must have moved to Luxembourg-city (Fëschmaart) where his two first children were born.

He later (around 1868) left Luxembourg for Paris where his daughter Lucie Marie was born in 1869.
